Mr. Jimmie Dunn
351½ N. Dixie Ave.
Cookeville, Tenn.

Dear Jimmie:

It was real good to hear from you again and to learn of your activities in Cookeville. I was happy to hear of the success of your new store and hope that business continues to be good. I know of no person, who in my estimation, is more deserving of God's blessings than you and I certainly hope that everything continues to go as it should.

As my schedule now stands, unless some changes are made, I will also be in your area from July 12th through the 17th in a Gospel Meeting with the Monterey, Tenn. church. I am conducting this meeting during a week of my vacation with the understanding that every morning can be spent in Cookeville playing golf, so you had better have those clubs sharpened up. The brethren there wrote me recently about this meeting and as of now I have not received confirmation, but I am fairly sure it will take place at the above mentioned date. Then, of course, you know I am to be outside Livingston beginning the last Sunday in August and will be looking forward to being with you quite a bit then. So, in all respects, our association together this summer look quite favorable and I am certainly looking forward to being with you.

I have been playing quite a bit of golf lately and have learned to like the game.

The construction of our new building is getting off to a real good start and we hope to be in it by early fall. The work here continues to progress as good as can be expected and for that we are truly thankful.

Sue is carrying a very heavy load of school work, plus her work, but our plans now call for her to quit work about the middle of May. She will then spend most of the summer living on the campus at Miami University finishing up her residence work.

So, if nothing happens, I will be seeing you both in July and the first part of September. Until then, my best wishes to you.

Fraternally yours,

John Allen Chalk
